

Classroom furniture, Indoor & Outdoor play equipments...

About Us

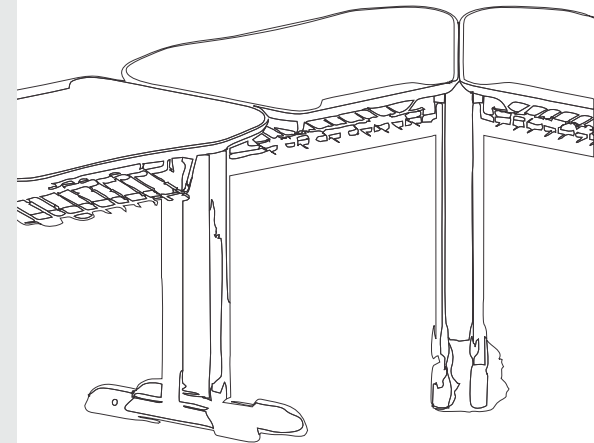

The Childwood Play Private Limited provides an array of institution's infrastructure and services in keeping with its customer-centric focus on creating value. Our lineup includes European standard classroom furnitures, indoor/outdoor play equipments and stations and kids/adult gym equipments.

The CHILDWOOD Way - Creating new value and business growth while working towards a sustainable society. The Childwood Group has consistently provided highest quality products and services since its inception in 2009. Today, we are expanding our reach beyond the traditional organization, as our customers are working to have the best of organizational needs. CHILDWOOD is empowering better workplaces by providing child friendly products/solutions and services that enable Children/students to have the best environment when they study or play, thereby delivering true customer value. All of our employees draw on The CHILDWOOD Way and the Spirit of Three Loves, Love your country, love your neighbor and love your service, the founding principle of Mr. Sanjay Sharma our Director, which underpins our activities. Under The CHILDWOOD Way, our mission is to provide excellence to improve the quality of living and to drive sustainability. Our vision is to be the most trusted brand with irresistible appeal in the market. We are leveraging the collective talents of our people in keeping with our Children/Students needs tagline of "imagine. change." so we can imagine the future and change what we do today. We are swiftly and dynamically innovating to keep ahead in a rapidly changing world. We will continue striving to satisfy our customers, creating unique value beyond their expectations.

About the CHILDWOOD : Delivering outstanding products and services

Childwood, an ISO certified company incorporated in 2009, is an Indian market leader for Classroom furniture, Indoor/Outdoor Play Equipments & Kids/adults gym equipments, having a customer Base of 1500+ across India with the entire product range of European standard with no compromise in quality and finish. We provide solutions to have the right set-up. Our motto is to make the customer aware of not just what we are into but what type of products we are into having the latest global technology for organizational needs.

In fact our products follow all national and international norms of the toy/furniture industry. Our products are brilliantly designed and recognized for their value of giving excellent opportunities for learning process, fun time and experiencing creativity.

Message from the Founder and Director

Creating value beyond customer expectations

The Childwood Group has consistently provided highest quality products and services since its inception in 2009. Today, we are expanding our reach beyond the traditional organization, as our customers are working to have the best of organizational needs. CHILDWOOD is empowering better workplaces by providing child friendly products/solutions and services that enable Children/students to have the best environment when they study or play, thereby delivering true customer value. All of our employees draw on The CHILDWOOD Way and the Spirit of Three Loves, the founding principle of Mr. Sanjay Sharma our Director, which underpins our activities. Under The CHILDWOOD Way, our mission is to provide excellence to improve the quality of living and to drive sustainability. Our vision is to be the most trusted brand with irresistible appeal in the market. We are leveraging the collective talents of our people in keeping with our Children/Students needs tagline of "imagine. change." so we can imagine the future and change what we do today. We are swiftly and dynamically innovating to keep ahead in a rapidly changing world. We will continue striving to satisfy our customers, creating unique value beyond their expectations.

The CHILDWOOD has business operations throughout India. Our portfolio ranges from products designed to help students to have the best in comfort and safety. Since we use premium quality child friendly raw material and follow the latest global technology in manufacturing process our products are of highest quality, accurate, very sturdy, durable, child friendly, very strong, healthy, best look with high resolution in colour texture, design, etc..

In fact our products follow all national and international norms of the toy/furniture industry. Our products are brilliantly designed and recognized for their value of giving excellent opportunities for learning process, fun time and experiencing creativity.

Our products are not just value for money but worth paying.

We have a process to make the customer understand "Why from Childwood"
