

ABOUT US

Childwood Play Private Limited, established in 2009, is a leading provider of institutional infrastructure and services. Our commitment to customer satisfaction drives us to offer a wide range of products, including European standard classroom furniture, indoor and outdoor play equipment, as well as kids' and adults' gym equipment. We embrace "The CHILDWOOD Way," focused on creating value and sustainable growth. With a dedicated team, we continuously deliver high-quality products and services, transcending traditional boundaries to meet our customers' evolving needs. Childwood empowers better learning and play environments, embodying our mission to enhance the quality of life and sustainability. Our vision is to become the most trusted brand, leveraging the collective talents of our team to imagine the future and exceed customer expectations. We remain agile and innovative to stay ahead in a rapidly changing world, always striving to provide unique value.
